

**DHARMANAND UNIYAL GOVERNMENT DEGREE COLLEGE
NARENDRANAGAR(T.G)
Strategic plan for 2023-24**

Institutional strategic plan of college is effectively deployed and functioning of the different institutional bodies constituted in the college is effective and efficient as visible from policies, administrative setup, appointment, service rules, regulations and procedures etc. as laid down by Directorate of Higher Education, Government of Uttarakhand. Institutional perspective plan and deployment documents as envisaged by the college in line with the vision and mission of the college and the perspective plan of Government of Uttarakhand for HEIs, is designed for effective overall growth of the College. With the following vision and mission of our college, strategic plan of the college is designed and effectively implemented.

Vision: -

To offer affordable and inclusive education for all irrespective of cultural, gender and economic biases while equipping the students with desired skills, knowledge and attitude in their chosen stream, inculcating values, identifying hidden talents, providing the opportunities for students to realize their potential and thus shaping them into future leaders, entrepreneurs and above all good human beings.

Mission: -

- ❖ To provide adequate learning opportunities in higher education to students hailing from rural areas.
- ❖ To serve humanity through the creation of well rounded, multi skilled, globally competitive, employable, and responsible citizens
- ❖ To impart quality education, integrating skill development as per Skill India Initiative of Government of India.
- ❖ To foster awareness about social and environmental issues.
- ❖ To ensure ample opportunities for extracurricular and academic advancement of students that contributes to the development of a holistic personality.
- ❖ To create a supportive community where students, instructors, parents, alumni, and administrators can all work together.
- ❖ To provide adequate sports facilities to students in order to hone the inherent physical strength that highlanders are born with.
- ❖ To develop networks and partnerships that will improve teaching, learning, extension, and job creation.
- ❖ To channelize young energy by utilizing their creative abilities, resulting in thoughtful and empathetic citizens.

Strategic plan: -

- For the up gradation of faculties to upkeep their information and for career advancement, motivate and help the faculties
- To increase Industry-Academia MoU's & Collaborations
- To Install a sanitary napkin vending machine and to conduct a workshop to aware girls students about it.
